2. Click in the *Oliver Library* icon ...or link from Leaning dropdown box

2. Click *Orbit* icon – top left hand side

3. Type to look for a book by word, subject, title or author etc — just click the appropriate icon

For example: to look for a book on the subject 'Dogs' you will get all the physical books in the school library as well

You can target an eBooks by clicking the eBook icon

You can then have only the 91 eBooks to look at by scrolling through — 8 books to a page

You can read the blurb and borrow the book if wanted or continue searching by exiting this page back to above or scrolling at bottom of this page

Just click on read to open the eBook

Use the tips information to download to your device and save having to log in each time

If you get a restricted message *Unavailable* it is because the book is for older readers so look for another one

If you get a message in red *Patron's Year level is not permitted to read this title* you need to log in to the Whelers platform...see page 1

You can borrow books with a green ✓ ...they are on loan already with a red X

You can view and manage the titles you have on loan by clicking on the *My Library* tab and opening

I love my dog
Angela Smith.

Just click on this icon in *Loans* each time you wish to read your eBook if you haven't downloaded to your device - you just open the book

When finished click on return it will verify this with you...click return again
If you didn't mean to click this you can cancel and continue reading

When your book has been returned a message to say you have no eBooks will come up

Happy reading and exploring of the eBooks!
